

What About Weeds?

Find and examine a weed growing in the garden, then see if you can answer the following questions about it.

- ☒ Where are its seeds, and what do they look like?
- ☒ Do you know or can you guess if it propagates from seeds?
- ☒ What types of spaces does it seem to “like” in the garden?
- ☒ Are there many individuals of this weed growing?
- ☒ Does it appear to be warm season or cool season?
- ☒ Do you know or can you guess if it is an annual or a perennial?
- ☒ From what you can tell about it right now, what methods and/or tools would you suggest or try in order to control it?
